## ENROLLMENT, COURSE USE, CONFIDENTIALITY & TRAINING AGREEMENT

This Enrollment, Course Use, Confidentiality & Training Agreement ("Agreement") applies to any person who purchases, enrolls in, accesses, or participates in a NUMA Pilates teacher training course, online course, educational module, lecture, workshop, examination, or related training material ("Program"). By purchasing or accessing the Program, the participant ("Student") agrees to the terms below.

### 1. Ownership and Intellectual Property

All Program content is owned by or licensed to NUMA Pilates, including without limitation written materials, videos, photographs, graphics, lesson plans, exercise sequences, manuals, quizzes, presentations, downloads, course portal content, teaching frameworks, branding, and other educational materials. The Student receives a limited, personal, non-transferable right to access the Program for the Student's own education only. No ownership rights are transferred.

### 2. Prohibited Copying, Sharing, Distribution, and Commercial Use

Except where NUMA Pilates gives prior written permission, the Student may not copy, reproduce, record, photograph, screenshot, screen-record, download where downloading is not expressly enabled, upload, publish, transmit, distribute, sell, license, share login credentials, provide access to another person, create derivative course materials from, or otherwise exploit Program content. The Student may not use Program materials to create, market, sell, or monetize a competing course, certification, manual, membership, digital product, training program, or other commercial offering. Unauthorized use may result in immediate termination of access and NUMA Pilates may pursue available legal and equitable remedies to the fullest extent permitted by law.

### 3. No Tampering or Circumvention

The Student may not attempt to bypass access controls, remove ownership notices, alter course files, interfere with the course portal, extract protected content, or otherwise tamper with NUMA Pilates systems or Program materials.

### 4. All Sales Final; No Refunds

Because the Program provides access to proprietary digital education and reserved training resources, all purchases are final and non-refundable to the fullest extent permitted by applicable law. Once purchased or accessed, no refund, credit, chargeback-based refund, transfer, or cancellation refund will be provided for change of mind, scheduling conflicts, failure to complete the Program, failure to attend required sessions, or dissatisfaction with progress. Nothing in this Agreement waives any right that cannot legally be waived under applicable law.

### 5. Online Modules and Quizzes

Online modules are completed through the NUMA Pilates course platform. Module quizzes may be retaken as many times as needed unless NUMA Pilates states otherwise for a particular assessment. Students are expected to complete their own work and may not obtain, distribute, or share quiz or examination answers.

### 6. Required In-Person Training

Required in-person lecture, observation, practice, and/or instructional hours are a mandatory component of the Program when identified in the applicable curriculum. Completion of online modules alone does not satisfy Program completion.

requirements. The Student is responsible for attending required sessions and completing assigned training hours within the Program requirements communicated by NUMA Pilates.

## **7. Equipment Used in Training**

Practical training is conducted on Balanced Body Allegro 2 reformers and may include other Pilates apparatus or props selected by NUMA Pilates. Allegro 2 reformers are professional studio reformers widely used in the Pilates industry. Equipment, springs, setup, and safety procedures must be used only as instructed by NUMA Pilates faculty.

## **8. Final Written and Practical Examinations**

The final written examination and final practical examination are administered in person and scheduled with NUMA Pilates. Eligibility to sit for a final examination may depend on completion of required coursework, lectures, practice, observation, assignments, and other Program requirements. Passing standards, remediation opportunities, and scheduling procedures will be communicated by NUMA Pilates.

## **9. Confidentiality and Non-Disclosure During the Program**

Until the Student completes the Program, the Student agrees to keep non-public Program information confidential. This includes course materials, unreleased curriculum, examination content, quiz answers, internal teaching materials, private group discussions, and personal or non-public information shared by other students, instructors, staff, or guests. The Student may state that they are enrolled in NUMA Pilates teacher training and may discuss their own personal experience in general terms, but may not disclose confidential materials or another participant's private information without permission. This confidentiality obligation does not prohibit disclosures required by law or communications with legal, financial, medical, or other professional advisers who have a legitimate need to know.

## **10. Student Conduct and Privacy**

Students must maintain professional, respectful conduct during online and in-person training. Harassment, discrimination, threats, unsafe conduct, unauthorized recording, disruption, or disclosure of another participant's private information may result in removal from a session or Program, subject to applicable law and NUMA Pilates policies.

## **11. Attendance, Scheduling, and Completion**

The Student is responsible for monitoring deadlines, scheduling required in-person components, arriving prepared and on time, and completing all required hours and assessments. Missed training, lectures, practice sessions, or examinations may require rescheduling and may be subject to additional fees if disclosed by NUMA Pilates in advance. Enrollment does not guarantee completion by a particular date.

## **12. Educational Program; No Guarantee of Certification, Employment, or Income**

Enrollment or payment does not guarantee that the Student will pass examinations, complete the Program, obtain any third-party credential, qualify for employment, be hired by NUMA Pilates, obtain insurance, meet a particular employer's requirements, or earn any specific level of income. The Student remains responsible for confirming any licensing, insurance, employment, continuing-education, or credential requirements that apply to the Student's intended work.

## **13. Health, Safety, and Assumption of Responsibility**

Pilates training involves physical activity and use of exercise equipment. The Student agrees to follow instructor directions, disclose relevant limitations when appropriate, stop activity when necessary, and use equipment responsibly. Participation in physical training may also be subject to a separate waiver, release, or studio safety policy.

## **14. Technology and Account Security**

The Student is responsible for maintaining the confidentiality of their course account and password and for using compatible internet access and devices. Suspected unauthorized access must be reported promptly to NUMA Pilates. Course access may be suspended while suspected misuse is investigated.

## 15. Program Changes

NUMA Pilates may make reasonable updates to instructors, schedules, educational materials, sequencing, platform delivery, equipment, or Program procedures when necessary to maintain educational quality, safety, operations, or legal compliance, provided such changes do not materially deprive the Student of the purchased Program.

## 16. Enforcement and Severability

A violation of intellectual-property, confidentiality, access, or conduct requirements may result in suspension or termination of Program access, in addition to any remedies available under applicable law. If any provision of this Agreement is found unenforceable, the remaining provisions will continue in effect to the extent permitted by law.

## 17. Governing Law

This Agreement is intended to be governed by the laws of the State of Florida, without regard to conflict-of-law principles, except where applicable law requires otherwise. Venue and dispute-resolution language should be finalized by NUMA Pilates with Florida legal counsel before use.
